

Holiday Bells and Holly

Design by Marianne Crivellaro, Text by Darlene Welch

For many of us, the sights and sounds of bells and holly conjure up happy thoughts of Christmas-time. This design is part of Marianne Crivellaro's pattern book, *Happy Holidays*, one of the twelve complete books that are included in her collection, *The Ultimate Pattern Book, Volume 3*. This collection includes over 300 full-size beginner to intermediate suncatcher and small panel patterns. Besides *Happy Holidays*, you'll also find *Wild Things*, *It's That Simple*, *A Choir of Angels*, *All Stars 2*, and *More Femmes Fatales*, plus six other complete pattern books. In addition to being a great resource for stained glass patterns, this fabulous collection can be used for mosaic and fused glass designs. **GPO**
