

# Christmas by Candlelight

*Design by Marianne Crivellaro, Text by Darlene Welch*

This glowing Christmas candle pattern with its sprigs of holly comes to you just in time to make the perfect gift for someone special. The design is courtesy of Marianne Crivellaro from her book, *Happy Holidays*, one of the twelve pattern collections that make up *The Ultimate Pattern Book, Volume 3*. There are 300-plus patterns altogether for beginning to intermediate glass artists and hobbyists from some of her most popular design books including *Quick Quilts*, *All Stars 2*, *A Choir of Angels*, *Secret Garden*, and five others.

Notice how the careful attention to color and grain of the Spectrum Spirit and Iridescent glasses used in this panel make it come to life. This project will add just the right touch for dressing up your home this holiday season.
