

Christmas Present and Ornaments

Design by Marianne Crivellaro, Text by Darlene Welch

'Tis the season for shiny ornaments and presents wrapped up in stunning ribbons and paper. Marianne Crivellaro has captured them beautifully in this stained glass panel from her book *Deck the Halls*, one of the twelve pattern books included in *The Ultimate Pattern Book, Volume 2*. Other books in this collection, which features a total of 300-plus full-size patterns suitable for beginning and intermediate artists, include *Patchwork Quilts*, *Easter Parade*, *Celtic Knots*, *Mini Victorian Accents*, *More Little Women*, and six others.

The Baroque™ and Artique® glasses from Spectrum used here provide the sparkle needed to brighten up the holidays. Careful attention to color selections of the glass as well as the direction of the glass grain lends realism and depth to the panel. Add the finishing touches for the ornaments with 14-gauge copper wire.
