

Doves with Heart

Design by Marianne Crivellaro, Text by Darlene Welch

Gentle and graceful, the dove has found its way into our world as a symbol of hope and peace and has even helped a magician or two amaze us. This pair, added to the Pennsylvania Dutch-style heart and tulips, will help you to welcome spring and bring some color and sparkle into your decor. The pattern is part of the designs in *From the Heart*, a book from Marianne Crivellaro that is included in her *Ultimate Pattern Book, Volume 2*. This volume features complete pattern books with a total of over 300 full-size patterns geared toward beginner and intermediate glass hobbyists and artists. Besides *From the Heart*, you'll find *Adorable Angels*, *Florals All Around*, *Mini Victorian Accents*, *Celtic Knots*, and *Patchwork Quilts*, plus six other complete pattern books. **GPO**
